

life group

Codes of activities applicable to the company (SARL EGTBP)

Breeding cows and buffaloes to produce raw milk	014103
Breeding cows and buffaloes for meat production	014102
Raising rabbits and other fur animals	014903
Freshwater fish farming, including ornamental fish farming	032201
Sheep and goat farming	014401
Breeding of horses and other mares	014299
guinea fowl breeding	014606
Breeding chickens for egg production	014603
Breeding chicken meat production	014602
Poultry farming	014601
Breeding turkeys	014604
Beekeeping and production of honey and beeswax	014907
Installation of electrical equipment for telecommunications for buildings	432101
Installing glass panels in buildings	433001
Installation of metal panels	439008
Software installation	620902
Multiple uses of electric motors and generators	271003
Manufacture of electrical transformers of all sizes and types	271004
Industrial concentrates industry - Continue other food products manufacturing activities	107917
Manufacture of concentrates from fresh fruits and vegetables	103018
Manufacture of metal vases, candlesticks and chandeliers	259921
Manufacture of metal supplies and tools used in construction and building	259308
Manufacture of ultraviolet, infrared, fluorescent, neon, electric lamps, etc.	274002
Manufacture of light bulbs with metal filaments	274001
Poultry feed industry	108005
Manufacture of cleaning, sorting, grading and grading machines for crops, fruits and eggs	282108
Manufacture of sprayers for agricultural use	282110
Livestock milking machine industry	282109
Distillation and refining machinery and equipment industry	281912
Manufacture of machines used in agriculture, horticulture and forestry to prepare agricultural soils from plowing, planting, fertilizing and sowing, whether they are self-propelled, hoping	282104
Manufacture of machines and engines that work by force of water and consist of powerful pumps	281301
Manufacture of machinery and equipment used in raising poultry and bees	282111
Cultivation of other citrus fruits not elsewhere classified	012399
Cultivation of other oilseeds not elsewhere classified	012699
Almond and walnut cultivation	012509
mung bean cultivation	011106

life group

Codes of activities applicable to the company (SARL EGTBP)

Cultivation of other crops from which spices, aromatic, medicinal and pharmaceutical crops are extracted, not classified elsewhere	012899
Apricot cultivation	012402
Banana cultivation	012203
Citrus Cultivation	012305
Oil palm cultivation	012603
Palm cultivation for the production of dates	012409
Cultivation of other fruit trees and other nuts, not classified elsewhere	012599
eggplant cultivation	011303
Cultivation of jet seed and forage seed	011903
Other activities for industrial and building cleaning activities	812999
Wholesale of poultry farming equipment and spare parts	465306
Wholesale trade of beekeeping equipment and spare parts	465307
Single trade (retail) for fodder of vegetable origin, hay - cake - hay etc.	477313
Rental of oil extraction machinery and equipment	773004
Rental of construction machinery and equipment	773034
Rental of civil engineering machinery and equipment	773035
Sewerage network preparation	370005
Preparation and processing of mining sites	431205
Construction, repair and dismantling of drilling towers - oil and natural gas extraction support services activities	091003
Raw milk production for sheep and goats	014402
cash gold production	242010
Activities of special types of education, car and bicycle repair schools, detail institutes, language institutes, transcription and shorthand, computer and guarding, environmental preservation	854906
Agricultural land management and agrarian reform activities	841301
Engineering and building project management activities	711007
Wholesale and retail trade management activities	841312
veterinary activities	016207
Aquaculture activities in salt water ponds	032106
Other activities of the oil refining industry	192099
Other activities for the manufacture of flour and grain flour	106199
Other activities for the manufacture of other formed metal products not elsewhere classified	259999
Other activities of architectural and engineering activities and related technical consultancy	711099
Other wholesale activities of agricultural raw materials and live livestock	462099
Other activities for warehousing and storage	521099
Other electrical installation activities	432199
Other activities for the production, collection and distribution of electricity	351099

life group

Codes of activities applicable to the company (SARL EGTBP)

Other road and railway construction activities	421099
Other activities of metals and ores trading	466299
Other activities for processing and preserving fish and fish products	102099
Other activities for processing and preserving fruits and vegetables	103099
Other activities for the processing and preservation of meat and meat products	101099
Other activities for forming metals by forging or pressing, rolling and powder metallurgy	259199
Other activities of tourism services	799099
Other hotel or camp site activities and other short-term accommodation provision	551099
Other activities of engineering projects	429099
Other road transport activities for merchandise	492399
Other activities of air transport of goods	512099
Other Activities for Entrepreneurs, Employers and Professionals	941199
Other activities of passenger transport by intercity railways	491299
Other actives from the manufacture of other food products	107999
Other activities for the manufacture of tires and rubber tubes and the renewal and rebuilding of the outer surfaces of rubber tyres	221199
Other activities for the manufacture of metal tanks, tanks and vessels	251299
Other activities for the manufacture of cocoa, chocolate and sugary confectionery	107399
Other activities for the manufacture of electric motors, generators, transformers, and electrical distribution and control equipment	271099
Other activities for the manufacture of precious metals other than iron and steel	242099
Other active ingredients for the manufacture of pasta and similar starchy products	107499
Other activities for the manufacture of other rubber products not classified elsewhere	221999
Other active hard coal mining and agglomeration	051099
Other active iron ores mining	071099
Other activities of mining non-ferrous metal ores	072999
Other active tour operators	791299
Other activities of oil and gas extraction services that are not classified elsewhere	091099
Other Security Systems Service Activities	802099
Other active iron and steel casting	243199
Other non-ferrous metal foundry activities	243299
Other activities for the manufacture of machinery used in mines, quarries and construction	282499
Collection and transmission of electrical energy	351002
Processing of seeds in terms of drying, cleaning and grading	016401
Processing of seeds in terms of storage	016404
Seed processing in terms of marketing	016405
Processing of seeds in terms of processing	016402
Seed processing in terms of transportation	016403

life group

Codes of activities applicable to the company (SARL EGTBP)

Pre-processing of crops Gradual sorting - cleaning - pruning cutting - trimming - packing	016301
Enrichment of uranium and thorium ore	201139
Wholesale trade of unworked precious metals	466202
Livestock wholesale	462018
Wholesale trade of livestock and sheep	462021
Wholesale trade of plants and nursery products	462015
Wholesale trade of crude oil	466103
Wholesale trade of agricultural products and waste for use as animal feed (bran, etc.)	462029
Wholesale trade of unworked precious metals	466202
Livestock wholesale	462018
Wholesale trade of livestock and sheep	462021
Wholesale trade of plants and nursery products	462015
Wholesale trade of crude oil	466103
Wholesale trade of agricultural products and waste for use as animal feed (bran, etc.)	462029
Wholesale trade of raw metals other than precious metal ores	466201
typewriter rental	773041
Rental of agricultural machinery and equipment without operators	773033
Aircraft rental	522304
Domestic aircraft rental for passengers and cargo	773030
International charter of passenger and cargo aircraft	773031
Construction of power transmission lines	422009
Construction of natural gas pipeline networks	422006
Establishment of telecommunication stations and radar	422011
Construction of electrical power stations and transformers	422010
Establishment of filling stations	422007
Establishment of projects to generate electricity from waterfalls	422008
Construction and repair of ore washing and unloading units and mine loading and unloading stations	061008
milk pasteurization	105001
Construction of floating or submerged pit piers	301118
Building ships whose main activity is non-navigable, such as rigs, floating docks, and floating or submerged docks.	301111
Construction of roads and facilities Reclaimed land	429008
construction of floating installations	301102
Building ports and waterways	429009
Wholesale of pet and pet food	463049
Production of salt from saline by solar evaporation of sea water and lake water	089302
mineral water production	110403

life group

Codes of activities applicable to the company (SARL EGTBP)

Production of crude oil from mineral oil shale and bituminous sands	061003
Production of liquid fuels: gasoline, kerosene, diesel, diesel, fuel oil, etc	192001
Production of gaseous fuels lithane - butane - propane	192002
Raw camel milk production	014302
Production of meat and poultry purees	101008
Production of grain milling waste	106108
Olive oil production and refining	104002
Sesame oil production and refining	104007
Cottonseed oil production and refining	104001
Production and refining of sunflower oil	104003
Production and refining of soybean oil	104004
Production and refining of nut oils	104005
Construction of jetties	429004
Construction of reservoirs and dams	429010
Construction of stations and main lines for water distribution	422001
Construction of main sewage stations and networks	422002
Construction of chimneys for industrial and other purposes on sites	439010
Establishment of sports facilities	429001
construction of shipyards	429003
Swimming pool construction	439011
Create lines of communication	422012
Construction of crude oil pipelines	422005
Extraction of grinding materials and millstones	089909
Extraction of coloring matter	089106
Extracting methane, ethane, butane, or propane	062007
Landlocked Land Reform	429006
Coastal Land Rehabilitation and Drying	429005
Repair and restoration of floating structures	331503
Repair and maintenance of machines used in construction, mining, gas and oil fields	331207
Repair and maintenance of machines used in mineral extraction	331208
Other activities for other food services	562999
Other packaging activities	829299
Other active veterinary services	750099
Other activities for the main centers of companies and establishments	701099
Other activities for general cleaning of buildings	812199
Other activities of restaurants and food services	561099
Catering activities on a contract basis	562901
Evacuation and preparation of construction sites	431201
Other investment fund management	663002
Department of fuel, mining and energy affairs, including electricity	841307

life group

Codes of activities applicable to the company (SARL EGTBP)

Activities of organizing tours through tour operators	791202
Activities of organizing tours through tourism agencies	791201
Animal husbandry development and health care activities	016201
Animal husbandry activities, barn cleaning and manure collection	016204
Stables service activities - animal production support activities	016211
Hotel and restaurant services activities	841308
Other active animal production support	016299
Active support for production of other crops n.e.c.	016199
Activities to raise the efficiency of projects using refrigeration, air conditioning, sanitary engineering and pollution control engineering	711004
Active general surgery clinics except for orthopedics	862010
Active eye clinics	862009
Kidney failure clinic activities	862006
Ear, Nose and Throat Clinic Activities	862015
Active radiology clinics of all kinds	862017
Pediatric Clinic Activities	862008
Active cirrhosis clinics	862005
Active Oral, Orthodontic and Pediatric Dentistry Clinics	862016
Urology Clinic Activities	862013
Activities of Obstetrics and Gynecology Clinics	862012
Orthopedic clinic activities	862011
Neurosurgery clinic activities	862014
Cardiology Clinic Activities	862007
Activities of physical therapy centers, treatment and chiropractic by hand	869018
Active acupuncture treatment centers	869017
Active optometry centers	869016
Children's Hospital Activities	861004
Activities of Oncology and Endocrinology Hospitals	861007
Chest hospital activities	861020
Eye Hospital Activities	861002
Kidney Hospital Activities	861011
Active blood analysis laboratories	869010
Activities of environmental conservation organizations	949917
Management and operation of bridges and tunnels	522105
Management and operation of roads without fees	522109
Management and operation of toll roads	522108
Management of docks, docks, docks and ancillary buildings	522201
Management of construction services for facilities, railroads and infrastructure	841310
gravel extraction	081015
gemstone mining	089902
asbestos extract	089903

life group

Codes of activities applicable to the company (SARL EGTBP)

acetate extraction for those	089911
Extraction of natural asphalt or bitumen	089912
alabaster extract	089910
Extraction of the natural barite-bearing ores barite and ozarite	089105
basalt extraction	081001
pyrite and pyrutite extraction	089109
gypsum extract	081005
limestone extraction	081006
Extraction of silicified Amgur flour	089905
Extraction of dolomite and chalk	081007
marble extraction	081004
Extraction of sand except black sand	081014
baby extract	081008
thermal mud extraction	081011
Extraction of diatomin mud well drilling mud	081012
Extraction of hard coal from coal dust bases	051003
Hard coal mining, including underground or surface mining, including mining by liquefaction methods	051001
Formicite Extract	089906
white kaolin extract	081010
clay kaolin extract	081009
natural graphite extraction	089907
Granite Extract	081003
quartz extraction	089908
Condensate Extraction - Follow up on natural gas extraction activities	081013
mica extract	089904
nitrate extraction	089103
slate stone extraction	081002
alum ore extract	089104
feldspar ore extraction	089901
fluorspar ore extract	089107
Phosphate ore extraction	089101
extraction of sulfur ore	089102
Extraction of natural magnesium sulfate ores	089108
Extraction of sodium compounds except for salt	089110
Services for flaring oil and gas fields	091007
Geological and prospecting activities	711005
Drilling test related to oil or gas extraction	091001
Storage in horizontal silos	521004
Storage in the main silos for grain	521001
Storage in rural warehouses for grains and grains	521003

life group

Codes of activities applicable to the company (SARL EGTBP)

Storage in refrigerators for vegetables and fruits	521007
Storage in refrigerators for tubers, such as potatoes, taro, and others	521008
Fertilizer storage	521006
Cooperative marketing of agricultural products includes cooperative unions and cooperative societies of producers of specific crops	461006
External cleanliness of buildings of all kinds, including offices, factories, stores, institutions, professional real estate, and multi-storey residential buildings	812901
Activities of a contractor laborer on farms	016113
Wholesale trade of cement, gypsum and plaster	466306
Meat cooling and freezing	101004
Installing pipelines covering oil fields, crude oil and gas fields with cement, pumping from wells, filling and leaving wells	091004
Dates wholesale trade	463004
wholesale cheese trade	463007
Wholesale trade of rebar	466304
Flour trade (flour) singular	472116
Flour wholesale trade	463028
Retail trade in tahini (retail)	472124
Supermarkets trade Multi-section markets (malls)	471900
Activities of health clinics attached to schools, activities of dentistry, internal medicine, ophthalmology etc.	869006
Activities of health clinics attached to bodies, companies and other labor gatherings	869020
Activities of clinics in labor facilities and companies	862019
Surface measurement activities, land boundary surveys, groundwater surveys, and space lands mapping activities	711006
School health unit activities	869001
Construction of electrical power stations and transformers	422010
Establishment of filling stations	422007
Construction and repair of ore washing and unloading units and mine loading and unloading stations	061008
Construction of roads and facilities for reclaimed land	429008
Remote ports and waterways	429009
Agricultural Credit Banks (Agricultural Bank)	641902
Mortgage Credit Banks and Housing Banks (Real Estate Bank)	641904
Alloy casting	243105
Casting of unfinished products for metals	243104
Buying lands and dividing them for sale	681008
Buying, selling and renting lands of all kinds	681003
Buying, selling and leasing of non-residential premises that include exhibition halls, personal stores, commercial centers and shopping centers	681002

life group

Codes of activities applicable to the company (SARL EGTBP)

investment funds	661105
mills millstones industry	239908
Other activities for the manufacture of bicycles and handicapped vehicles	309299
Other active motorcycle industry	309199
Other activities of the motor vehicle industry	291099
The manufacture of motorcycles of all kinds, including those equipped with a side vehicle, a box	309101
Manufacture of non-motorized bicycles that operate on pedals such as tricyclists, tandem bicycles, passenger bicycles, and children's bicycles	309201
Bus and coach industry	291004
Commission agents in the wholesale and single car trade (retail)	451015
